General and Revenue Secretariat. | KB File No. 140 of 192 8

Serial No.	
8	From the Chief Engineer Letter no 10403 dt 25.2.1930 Submits a revised estimate for Rs 18630 for the Construction of the District Board Office at Kolar. 1) An estimate for Rs 15,680 for the Construction of the Kolar Dt Board Office was sanctioned in Go. no 2 64488 KB 140-28-2 dt 6-4-29. 2) On further representation by the Dt Board it has been ordered that One fourth of the Cost of the building be met from Govt in Go. no 2 4989-9/KB 140-28-7. dt 6-1-30; and the Chief Engr was requested to state if the Govt share of the Cost could not be met from the P.W. grants. 3) The Chief Engr now submits a modified estimate for Rs 18,630/- for the above building & requests that the source from which the State Fund share of the estimate has to be met may be pointed out. It has perhaps to be presumed that it is not possible to meet this Charge from any source for the P.W. Budget.

Letter No. 11397 dated the 11th April1930, from the Superintending Engineer, Mysore Circle, to the Chief Engineer of Mysore, Bangalore.

Re. New District Board Office at K o l a r .

In continuation of this office letter No. C.223 dated 22/1/1930, I have the honor to state that the District Board President of Kolar District has intimated the Executive Engineer, Kolar Division, that the Standing Committee of the Board have expressed an emphatic desire to push through the construction of the District Board Office, for which there is a grant of Rs 5,000/= in the District Fund Budget of the current year.

2. The Government have already sanctioned the grant of a free site in their Order No. 6644-8/L.B. 140-29-2 dated 6/4/1929.

3. I request very early sanction to the estimate already submitted with this office No. 7075 dated the 12th December 1929.

I have instructed the Executive Engineer to call for tenders in advance.

Letter No.24 dated the 7th May 1930, from the Superintending Engineer, Mysore Circle, to the Chief Engineer of Mysore, Bangalore.

Construction of the building for the District Board Office at Kolar.

With reference to your Memo No.12674 dated the 16th April 1930, I have the honor to inform you that in response to the Notification in the Mysore Gazette inviting tenders for the above work, only two tenders as detailed in the margin were received.

Name of contractor.	Tendered amount.
1. Mr.Rajappa.	Rs.13,612
2. Mr.C.Venkateshaiya.	Rs.14,228

Deducting the lump-sum provision for establishment and Tools and Plant charges, contingencies and Electric Installation, etc., the work portion of the estimate is Rs.15,256/-. In view of the District Board's repeated requests to start the work and to work out the year's grant, the Executive Engineer wanted orders by wire. As there were only two tenders and the Executive Engineer recommended the lower one which was for Rs.13,612/- approval to it was given by me by wire and confirmed. The action taken may be kindly approved and the estimate submitted with this office No.7075 dated the 12th December 1929, may be returned sanctioned early.

"C o p y."

L. B 140-28-10

D. O. OC353 27.28

OFFICE OF THE PRESIDENT DISTRICT BOARD,
KOLAR DISTRICT.

Dated, (Camp,) Kolar, 31st May 1930.

Dear sir,

I write to state that the Executive Engineer, Kolar Division informs me to-day that he has instructions from the Chief Engineer in Mysore not to proceed with the work of constructing the District Board Office Building, until orders of Government are received in regard to certain alterations in the plan of the building.

I beg to state that Government in their order No L.6644-8 L.B 140-28-2 dated 6-4-1929 sanctioned the construction of the District Board Office at an estimated cost of Rs 15,680, and were further pleased to bear ¼th cost of the building as per their orders in G.O.No.L.4289-91 L.B.140-28-7 dated 6th January 1930.

During the visit of His Highness the Maharaja of Mysore to Kolar in October last to lay the Foundation Stone of the building , the Dewan Sahib sugested certain alterations to the design of the roof, Viz.,to convert the gable roof to a terraced

one and the plan was accordingly modified but the alterations did not involve any extra cost over the estimated amount.

I also learn that the modified Estimate has been submitted to Government for sanction on 25-2-1930 by the Chief Engineer.

I further beg to state that the District Board is very much handicapped for want of a building of their own and are very anxious to see the completion of the building, which was ordered to be proceeded with. The Executive Engineer has been pushing on with the work and the stopping of the work at this juncture will cause inconvenience to all the parties concerned. I therefore request you to be so good as to obtain the very early sanction of Govt. to the modified estimate and in the mean-time to request the Chief Engineer to instruct the Executive Engineer to proceed with the construction of the building.

Yours sincerely,

C.S.Gopala Rao
